

RECYCLING EVENTS AND CLEANUP EVENTS

Pike County Solid Waste and Recycling offers several cleanup events throughout the year. Below is a list of events that are offered.

HOUSEHOLD HAZARDOUS WASTE EVENT

Pike County Solid Waste and Recycling holds a Household Hazardous Event every year in the Spring. The Household Hazardous Waste event allows the residents of Pike County to dispose of products such as paints, cleaners, oils, batteries, and pesticides that contain potentially hazardous ingredients in the proper manner. Please visit the Events Calendar to see a list of acceptable items and dates for the event.

APPLIANCE AND ELECTRONICS EVENT

Pike County Solid Waste and Recycling holds an Appliance and Electronics event twice a year. During this event the residents of Pike County can set up an appointment with the Solid Waste District for the Recycling employees to pick up appliances and electronics at their homes. Please visit the Events Calendar for dates of the events.

SCRAP TIRE EVENT

The Pike County Solid Waste District works with the Pike County General Health District to apply for Tire Amnesty Grants for Scrap Tire Events. During this event the Residents of Pike County can bring scrap tires to be recycled or disposed of properly. Please visit the Events Calendar for dates of the events.

SPRING CLEANUP

The Pike County Solid Waste District sponsors a Spring Cleanup Event every year. During this event, the Solid Waste District places dumpsters around the County for the residents to dispose of trash and debris from around their houses and property. Please visit the Events Calendar for dates of the cleanup events for each Township.
