PROJECT DESCRIPTION

A detailed description of these activities is included in the County's PY 2021 CHIP Application.

GENERAL ADMINISTRATION

CHIP program funds will be used by Pike County Community Development staff to administer and implement activities according to standards and requirements described in the Policy Notice 20-01 – Grant Operations and Financial Management Policy and Procedures and in the State Plan.

FAIR HOUSING PROGRAM

The portion of the CHIP Program allocated for the Fair Housing Program would provide for training program, education outreach program, and annual analysis. The Fair Housing Program would be conducted according to the standards described in the State Plan, as amended.

CONTEXT MAPS AND AREA/SITE MAPS

Included and made part of this document.

STATEMENT OF PROCESS AND STATUS OF ENVIRONMENTAL PROCESS

The Pike County Board of Commissioners is requesting the State of Ohio to release Federal funds under section 104(g) of Title 1 of Housing and Community Development Act of 1974, as amended; Section 288 of Title II of the Cranston Gonzales National Affordable Housing Act (NAHA), as amended; and /or Title IV of the Stewart B. McKinney Homeless Assistance Act. The funding source for project requires the preparation of an Environmental Review Record (ERR), consistent with the requirements of Title 24 of the Code of Federal Regulations (CFR), Part 58.

An environmental evaluation has been conducted for each of the activities listed above by the Pike County Board of Commissioners. Pursuant to the review, it is the finding of the Pike County Board of Commissioners that the above listed activities comply with the requirements of 24 CFR 58.6, and the activities consist solely of activities listed at 24 CFR 58.34 (a) (1-11 – Exempt activities. Therefore, these activities do not have to be reviewed for compliance with provisions of laws and authorities listed at 24 CFR 58.5 and do not require consultation or other action required by NEPA because the U.S. Department of Housing and Urban Development (HUD) had predetermined these types of projects are exempt from environmental review.

Tony Montgomery, CEO Pike County Board of Commissioners, 230 Waverly Plaza, Suite 1000, Waverly, Ohio 45690 is the certifying officer and assumes responsibility for the accuracy and completeness of the record. The record is public and open for review. The record for this project is available at the Pike County Board of Commissioners Office, 230 Waverly Plaza, Suite 1000, Waverly, Ohio 45690. Updates for unidentified sites will be performed and maintained in the ERR and/or individual activity files. The ERR is on file and available for the public's examination and copying, upon request, between the hours of 8:30 a.m. to 4:00 p.m., Monday through Friday (except holidays). The environmental review process for these activities is anticipated for completion by October 31, 2023.
