

The Pike County Board of Commissioners will hold a **Community Development Implementation Strategy (CDIS)** meeting on **Monday, May 8th at 10: 00a.m.** at the Pike County Board of Commissioners Office, 230 Waverly Plaza, Suite 1000, Waverly, Ohio 45690. Pike County is required to disseminate information about the Community Development, Residential Public Infrastructure, and Economic Development Programs to local stakeholders and encourage their participation. County grantees are required to notify villages, and township representatives and other stakeholders may also include regional planning, economic development, community improvement, downtown, and neighborhood organizations, local development and water and sewer districts, community action agencies, and other public service providers. The CDIS is a tool to facilitate communication with stakeholders in eligible applicant communities. The CDIS will supplement the required Citizen Participation process, provide a format for disseminating information about Economic and Appalachian Development Section programs, and assist with identifying and prioritizing potential funding opportunities. The CDIS is required to apply for the PY 2023 Community Development, Economic Development, and Residential Public Infrastructure Grant programs.

A second public hearing will be held on a date(s) to be announced to solicit comments and public input about specific CDBG activities proposed for PY 2023. Citizens and local officials are encouraged to provide their input on Pike County's CDBG programs.
